

Final Year Project Proposal

Stephen Coady

September 12, 2016

Abstract

This is the abstract for my proposal. It should house any vital information about my project.

Contents

Introduction	3
Background	3
Supervisor	3
Discussion	3
Conclusion	3

Introduction

This will be the introduction for my proposal. It will house the general idea behind the project.

Background

This may not be needed. If it is it could be a brief intro into the LRS.

Supervisor

This will make a case for Eamonn deLeaster being my supervisor.

Discussion

Some discussion here. Possibly about the technology stack or general direction.

Conclusion

May not be needed, as there isn't a conclusion to be formed.
