Waterford Institute of Technology

Final year project proposal

Moodle Analytics Investigation

Stephen Coady

20064122

September 2, 2016

Abstract

This is the abstract for my proposal. It should house any vital information about my project.

Contents

Introduction

This will be the introduction for my proposal. It will house the general idea behind the project.

Background

This may not be needed. If it is it could be a brief intro into the LRS.

Supervisor

This will make a case for Eamonn deLeaster being my supervisor.

Discussion

Some discussion here. Possibly about the technology stack or general direction.

Conclusion

May not be needed, as there isn't a conclusion to be formed.
